

**East Park Reservoir Wild Pig Hunt
October 2011**

The California Department of Fish and Game (DFG) is permitted by the United States Bureau of Reclamation (USBR) to conduct a limited public entry, permit-only pig hunt to control a small population of wild pigs on a portion of East Park Reservoir in western Colusa County. The area consists of grassland, oak woodland, brush and some wetland areas.

Individual hunters may be accompanied by not more than one non-hunter. No more than three hunters will be allowed to hunt at any given time. **Only muzzleloading rifles** as described in Section 353, Title 14 (CCR) may be used. No vehicles (OHVs included) or dogs may be used. A pre-hunt orientation is mandatory, and all hunters are required to check in and check out of the hunt area. DFG personnel will be onsite during the hunts.

Two-day pig hunt permits will be issued to hunters by drawing only for all pig hunt periods. Each hunter may apply only once, for as many hunt periods as they can attend though a hunter cannot be drawn more than once.
